OMA provides information regarding the aviation accident at the Durango Airport

Monterrey, Mexico, July 31, 2018—Mexican airport operator Grupo Aeroportuario del Centro Norte, S.A.B. de C.V., known as OMA (NASDAQ: OMAB; BMV: OMA), informs that Aeroméxico Connect flight 2431 from Durango to Mexico City suffered an accident on takeoff from the Durango airport today at approximately 3:47 pm. The plane was carrying 97 passengers and 4 crew members.

An emergency response operation, including both internal and external resources, was immediately commenced under the direction of the airport Commander of the Civil Aviation Directorate (DGAC), with the participation of the Ministry of Defense (SEDENA), Civil Protection the Federal Preventive Police, the air traffic control agency (SENEAM), and the airport's own emergency response unit (CREI).

According to federal and state authorities, there were no deaths as a result of the accident, and the injured were transported to several hospitals in Durango for treatment.

The DGAC airport Commander issued a NOTAM, or Notice to Airmen, closing the airport for flight operations until further notice.

The responsible authorities will carry out an investigation to determine the cause of the accident.
