## OMA provides information regarding items to be discussed at its Annual Shareholders' Meeting

**Monterrey, Mexico, April 1, 2011**—Mexican airport operator Grupo Aeroportuario del Centro Norte, S.A.B. de C.V., known as OMA (NASDAQ: OMAB, BMV:OMA), provided information regarding the items to be discussed at its annual shareholders' meeting to be held on April 14, 2011.

The most significant agenda items that will be put forward for shareholder approval are:

### Allocation of net income, increase in reserves and declaration of dividends (Agenda item V)

In order to continue with the Company's share repurchase program, the Chairman of the Board of Directors will present to the annual shareholders' meeting the following proposal for their approval of the maximum amount to be used during 2011:

- Allocate up to Ps. 400,000,000 for the acquisition of Series B shares during the 2011 fiscal year and until the next annual shareholders' meeting approves the 2011 results.

In accordance with the current dividend policy, the Chairman of the Board of Directors will present to the annual shareholders' meeting the following proposal for their approval:

- Payment of a cash dividend of Ps. 400,000,000, corresponding to Ps. 1.00 per share, to be paid in four quarterly installments of Ps. 0.25 per share each. The total amount of the dividend will be allocated from net income for the 2010 fiscal year.

### Modification of dividend policy (Agenda item VI)

The Chairman of the Board will propose a modification of the dividend policy, as described below, to become effective with the approval of the results for the 2011 fiscal year:

The proposed policy contemplates the following essential elements, summarized herein:

- a. The creation of a legal reserve equivalent to 5% of the net income of the year, until the reserve reaches 20% of the nominal value of shareholders' equity.
- b. The Company must generate a net profit for the year or have sufficient retained earnings from previous periods.
- c. The payment of dividends must be tax efficient.
- d. The dividend must comply with applicable legislation.
- e. The dividend payment will be made up by a fixed component of Ps. 325 million, plus a variable component to be proposed by the Board of Directors.
- f. Both the fixed and the variable components will be subject to the financial condition of the Company.
- g. The dividends that are declared will be paid in four quarterly installments.
